- 2 Academy New Zealand shall advise all prospective students of the standard wording as set out in the Code of Practice, and provide information on the education provider's medical and travel insurance requirements.
- 3 Students purchasing insurance through a New Zealand insurer should purchase insurance cover at the time of fee payment and before they leave their home country.
- 4 Where insurance is provided from a New Zealand company policy details should be provided in the student's first language where possible.
- 5 In the case of overseas policy providers students must provide Academy New Zealand with the policy details in English before the payment of fees to Academy New Zealand.

VERIFICATION OF POLICIES

Code of Practice requirement:

Section 7.4 *When enrolling international students, signatories must ensure that international students have appropriate and current medical and travel insurance for the duration of their planned period of study*
